

## **STAVROS NICOLAOU**

### **Group Senior Executive: Strategic Trade Development**

#### **Aspen Pharmacare**

Stavros Nicolaou, Aspen Pharmacare Group's Senior Executive responsible for Strategic Trade Development was instrumental in introducing the first generic ARV's on the African Continent developed by Aspen, which has gone on to save hundreds of thousands of lives in South Africa and on the African Continent.

Nicolaou has over 30 years' experience in the South African and International Pharmaceutical Industry and is a recent recipient of an Honorary Doctorate conferred by the University of the Witwatersrand. He continues to serve on a number of industry & associated structures some of which include a recent appointment by Minister of Arts, Sports and Culture to the Board of Cricket South Africa (CSA), he is a member of Business for South Africa (B4SA) Steering Committee and Chairperson of the B4SA Health Workgroup, he was re-appointed for a third term by President Cyril Ramaphosa, to the Board of Brand South Africa and was appointed to the Government-Business 6-a-side on the President's Health Compact. He has been a speaker and panelist at a number of conferences, including more recently the 3<sup>rd</sup> Annual Presidential Investment Conference, the Economist Roundtable and the World Economic Forum (WEF).
